

Project Development phase

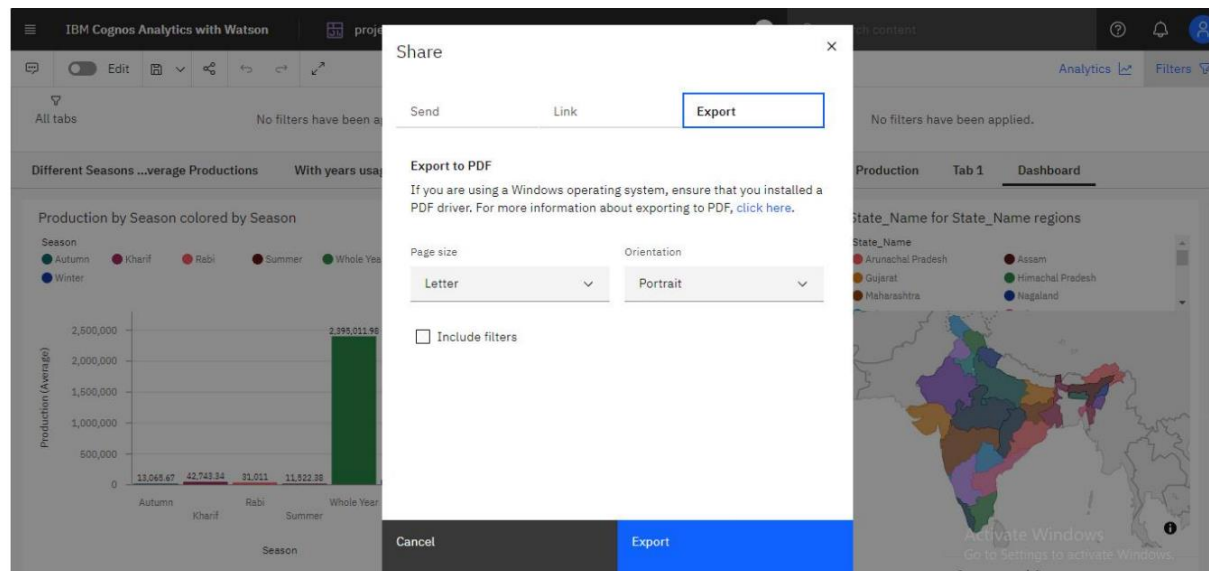

Sprint 4

Exporting the dashboard

Click the share button on the top of the dashboard:

In then then click the Export Button:

Then Save the file as pdf:

The screenshot shows the IBM Cognos Analytics interface with a dashboard titled "project" containing various charts and maps. On the right, the "Print" dialog is open, showing "6 pages" to be printed. The "Destination" is set to "Save as PDF". Other settings include "Pages: All", "Pages per sheet: 1", "Margins: Default", and "Options" with "Headers and footers" checked and "Background graphics" unchecked. A "Save" button is visible at the bottom right of the dialog. A watermark "Activate Windows" is visible in the background.
